Create Office Platform

SPECIFICATION GUIDE

three h

Create Office Platform™

Specification Guide

The Create Office Platform is a dynamically elegant single source platform. Which has an impressively striking range of components; including desk-top, storage and panel options. Creating work environments perfectly tailored to individual tasks.

Designer Jean Bourassa has created this extensive new collection that blends broad functional performance with balanced proportions and refined detail. He has achieved this through integration and layering. From the baseline of a single platform components are added to shape the environment spanning the classic private office layout to the fashionable open landscape.

From the executive suite to collective work areas, Create is a new way forward in integrated office design.

GENERAL FURNITURE SPECIFICATIONS

General Furniture Specifications

Create Office Platform™ casegoods and worksurfaces are constructed of thermofused melamine laminated on an industry standard particleboard core. All laminate material is finished with a decorative face on both sides and is available in over 30 woodgrain, solid and composite colors.

Worksurfaces and tops are 1" thick., available with a 1mm or 3mm PVC edge, 1mm PVC knife edge profile, 3mm solid wood edge, wood bullnose edge and wood Wavecrest edge finished to match or complement the selected laminate finish.

Cabinets are constructed of 5/8" thick board and finished with 1mm PVC edge. Hutch construction is a combination of 1" and 5/8" laminate. Storage unit shelves are 1" thick.

Box drawers, file drawers and lateral file drawers all utilize 18" full extension slides.

Aluminum Components

All Create Platform custom aluminum extrusions are manufactured with 70% recycled aluminum content. All extruded components are available in a clear anodized finish.

Standard Grain Direction

Worksurfaces - grain runs parallel to the desk length

Desk legs - vertical grain

Modesty screens - horizontal grain

Privacy screens - horizontal grain

Cabinet and hutch sides - vertical grain

Hutches and credenza backs - horizontal

Stacking storage and pedestal backs - vertical

Door fronts - vertical grain

Drawer fronts - option for horizontal or vertical grain

(matched between multiple drawers on same cabinet)

*Some components can be specified with alternate grain directions (off standard) - some limitations may apply.

Knife Edge Trim

Available on working and/or visitor side of worksurfaces and desks with continuous straight edges (ex. not available on edges with tapers or radius). Two sided applications are recommended only on free standing executive desks and reception transaction tops.

Not recommended on edges that join, butt or connect against other surfaces. Not available on credenza or pedestal tops.

Glide / leveler Adjustment

Executive desks and desk shells: 3/4" adjustment

Credenzas and pedestals: 3/4" adjustment

Available fabrics

Select stock fabrics, in varying grades, available from Maharam, Guilford of Maine and Momentum. COM fabrics can be specified

(some limitations and additional lead time may apply)

Standard Pulls

Create – solid extruded aluminum profile available in a clear anodized finish.

In addition to the Create pulls, all Three H standard pull options are now available in Create.

Power

Create Office Platform™ case goods include optional cable management features that allow routing and access to power and data. Both floor, wall and ceiling feed applications can be integrated into workstation designs. 7 wire three circuit (with isolated ground) modular power components are stocked and available on standard orders. 8 wire four circuit systems are available on special order (extended order lead time may apply). UL certified, or equivalent, desktop power modules are available for use on worksurfaces and tops.

SCS Indoor Air Quality Certified®

Create Office Platform™ and Multi Stations OS™ components meet LEED requirements for Low Emitting Materials – Systems Furniture and Seating.

3H FURNITURE & THE ENVIRONMENT

SCS Indoor Advantage Gold - Indoor Air Quality

Three H casegoods and MultiStations OS system products meet LEED requirements for EQ Credit: Low-Emitting Materials, Furniture.

RECYCLED CONTENT

Made in North America using materials containing high levels of recycled content (including the main component - laminated CARB compliant commercial grade particleboard), which contributes to LEED credits.

CONSTRUCTION WASTE MANAGEMENT

Component packaging materials consist largely of high recycled content cardboard and re-used wood pallets both of which are easily divertable from landfill and contribute to recycling and reuse programs.

DAYLIGHT AND VIEWS

A broad range of product sizing, custom specifiable components and the integration of glass panels accommodates low profile workstation layout and designs.

RESOURCE REUSE - FURNITURE AND FURNISHINGS

Easily expandable, reconfigurable and durable, Three H casegoods and MultiStations OS system products can be re-purposed to serve a broad range of applications throughout its useful life and contribute to Resource Reuse in future projects.

The quality of components, simplicity of design, and enhanced reconfigurability combine to make Three H Furniture Systems a valuable, sustainable solution for the office today and tomorrow.

EXECUTIVE COMMITMENT

Three H is committed to becoming an increasingly more sustainable company by employing policies and practices that look to protect our natural environment, support our local economy and engage with our communities. We set goals that help our company make consistent, measurable progress towards sustainability in all facets of our operations. We respect the natural, economic and human resources that help sustain our business and strive to communicate our sustainability commitments and progress to our key stakeholders.

SUSTAINABILITY POLICY

Three H understands that becoming a more sustainable company is our corporate responsibility. We will strive to operate a business that will not compromise future generations. This policy is used as a framework and guides the Three H decision making process. It is reviewed and revised regularly to ensure that it reflects our commitment to sustainability for all facets of our business operations. Three H has identified seven (7) environmental aspects, that, along with supporting goals, are the priorities for us as a company as we strive for a sustainable future.

WASTE MANAGEMENT

Reduce the amount of waste generated by our business operations.

Reduce the amount of waste we send to the landfill.

Reduce the amount of waste we leave our clients and end-users in shipping our products.

ENERGY EFFICIENCY

Conserve energy and improve the energy efficiency of our business operations.

Explore ways to increase the use of renewable and clean energy sources.

WATER EFFICIENCY

Reduce the amount of potable water used at our facilities.

OUR PRODUCTS

Reduce the impacts our products have on the environment in all stages of our products' life-cycle.

STAKEHOLDER + EMPLOYEE ENGAGEMENT

Engage our employees and other stakeholders in our sustainability goals and objectives.

Provide our employees with a safe and healthy place to work.

LEGAL AND OTHER REQUIREMENTS

Meet all environmental regulations applicable to our business operations.

Limited Lifetime Warranty

Three H Furniture Systems Limited ('Three H') provides a limited lifetime warranty on all products sold to the original purchaser by a Three H authorized dealer. Three H warrants that its product will remain functional¹ for as long as the original purchaser owns the product. The obligation of Three H under this warranty is to repair or replace with a comparable product or component determined to be defective by Three H at no cost to the original purchaser, FOB purchaser's destination.

¹ Remain Functional refers to the products ability to fulfill its original purpose or function.

Updated November 2018

EXCEPTIONS TO THIS WARRANTY MAY INCLUDE:

- Three H provides a full warranty on our bullnose, wavecrest and prestige wood trim and finish for a period of 3 years after date of delivery. After 3 years, the warranty applies to the wood edge only. General wear and fading of the finish after a 3 year period is not considered a defect.
- Three H provides a full warranty on our Workshelf wood legs and finish for a period of 3 years after date of delivery. After 3 years, the warranty applies to the leg only. General wear and fading of the finish after a 3 year period is not considered a defect.
- Variation in laminate finish characteristic including color and texture is not considered a defect.
- All fabrics including tackboards, panels & cushions are warranted for a period of 5 years after date of delivery.
- All lighting products including bulbs, tubes, ballasts and LEDs do not carry a warranty.
- All power related products & components carry a 1 year warranty.
- All electric height adjustable components carry a 5 year warranty.
- Product & components which are not directly manufactured by Three H. In this case warranty is determined by what is offered from the manufacturer of the defective product or component.
- Product that is not sold by a Three H authorized dealer.
- Product that is not installed & maintained in accordance with Three H's guidelines & instructions.
- Product that is damaged by the end user due to misuse, accident, abuse, negligence or shipping.
- Incidental wear to product including scratches & dents occurring from everyday use.
- Product that has been altered or re-configured in any way prior to written approval by Three H.
- Product which has received excessive exposure to U.V rays, heat, water or harsh chemicals.
- Product that has been damaged due to re-installation without the assistance of an authorized Three H dealer or installer.
- Product that has been subject to conditions that exceed the BIFMA/ANSI standards applicable to that product.
- Product that is being used for rental purposes.
- Customers own material (COM) provided at the request of the user is not covered by the Three H warranty.

WARRANTY CLAIM PROCEDURE

- All warranty claims must be authorized by Three H prior to approval.
- Claims can be directed to Three H's warranty & replacement officer by contacting 1.800.767.5374 or by emailing claims@three-h.com.
- Claims must include original order number, as well as a description of return request.
- Three H reserves the right to investigate any of the above mentioned exceptions, request digital photos of the product in question, as well as proof of original ownership prior to warranty approval.

THIS WARRANTY LIABILITY IS LIMITED TO THE REPLACEMENT OF PRODUCT. THREE H WILL NOT BE HELD LIABLE FOR ANY PERSONAL OR PROPERTY DAMAGE AS WELL AS ANY CONSEQUENTIAL OR INCIDENTAL DAMAGE. THIS WARRANTY EFFECTIVE JANUARY 2017 SUPERSEDES ALL PREVIOUS WARRANTIES OFFERED BY THREE H FURNITURE SYSTEMS LIMITED.

CARE & MAINTENANCE

- Three H laminates can be easily cleaned with warm water and mild soaps. Do not use cleansers which contain abrasives, acids or alkalis.

Cleaners such as Lysol® Brand Clean & Fresh Multi-Surface Cleaner, Lysol® Disinfectant Spray, Clorox™ Disinfecting Wipes, Clorox™ Everest, etc.* can be safely used on melamine laminates to protect against COVID 19.

* Products containing Quaternary Ammonium are recommended for melamine surfaces
