

# PREMIERE SELECT

Your expectations are high.  
So we raised the bar.

The Premiere Select line of private office furniture delivers a super-smart look at an affordable price. Always conceived and created in North America, Premiere Select includes our coveted laminate-surface collection, proprietary designs in crafted aluminum accents, limitless selection of painted glass and unique integration of textile components.

By blending refined lines with a unique mix of the most modern and advanced materials Premiere proves that elegance doesn't have to equal expensive.

Premiere Select is backed by an intimate level of customer service the big guys simply can't deliver. We start by taking the time to really understand your needs and then roll up our sleeves to bring your ideas to life in creative ways—even if that means customizing new product, mixing different lines and modifying the right parts to make it happen. And since we source materials locally, we can always get your dream office space ready, fast.

# You bring the ideas. We'll make it happen.

There's no pressure to have your thoughts fully baked before you come to us. Our customer service team can take even the smallest spark of an idea to a polished plan that checks all your boxes.

A dedicated Three H-er will work with you to come up with creative solutions, provide drawings and quotes, and even suggest layouts for your space.

The best part? Whether you're designing two workstations or an entire floorplan, you'll enjoy the same bespoke level of customization and service at no extra cost.
