

Three H enters an exciting new phase of growth with three strategic hires.

New leaders across design, marketing, and sales will apply fresh thinking to a rapidly changing industry.

(February 15, 2024) Three H, a design-driven category leader in commercial office furniture, is excited to announce the addition of three strategic leaders to its highly dedicated team. These new hires bring a collective wealth of expertise that will help to accelerate the company's growth trajectory. Blending their fresh perspectives with existing team expertise will serve to deepen Three H's commitment to fostering innovative solutions for the ever-evolving modern workplace.

Meet the newest Three H team members:

Lee Fletcher - Design Director

Bringing expertise in commercial furniture design, Fletcher joins as the Design Director, focusing on unifying and streamlining product offerings with an emphasis on clarity, balance, and environmental responsibility.

Shawn Auger - Director of Sales, US East

A progressive sales leader with over two decades of experience, Auger takes on the role of Director of Sales, US East, driving growth and enhancing customer-centric teams.

Talke Krauskopf - Vice President of Marketing

A passionate brand enthusiast and seasoned marketing professional, Krauskopf steps into the role of Vice President of Marketing. Leveraging her international marketing and advertising experience, she will play a key role in shaping and advancing the Three H brand.

Fletcher, Auger, and Krauskopf are deeply familiar with the changing needs of today's office environments. Together, they will play a pivotal role in championing out-of-the-box thinking and challenging industry norms to boldly drive Three H's strategic direction and elevate its market position.

About Three H Office Furniture

Three H is a leading manufacturer of design-driven, innovative commercial office furniture. Founded in 1973, Three H is committed to designing products that meet the evolving needs of modern workplaces. By staying true to three core values — honed solutions, a holistic approach, and the human touch.
