PRICING

All pricing is subject to change without notice. Prices are subject to any provincial or state taxes & are confirmed at time of invoice.

ORDER SUBMISSION

An official purchase order is required for all purchases. PO's may be submitted by email to orders@three-h.com or by fax at 1-888-484-5786. The following information is required on all purchase orders:

Company name, purchase order number, delivery address & contract number, Three H quotation number(s) or project registration number (if applicable), décor selections (tops, fronts, décor, trim, fabric), total net pricing including dealer discounts and any applicable freight & tax amounts.

CONFIRMATIONS

After receiving a purchase order, Three H will provide a confirmation along with estimated ship dates. If any discrepancies exist, Three H will provide a deficiency report outlining the details. If you do not receive a confirmation within 48 hours of submission, please contact customer service for verification.

DEPOSIT REQUIREMENTS

Deposits may be required on large volume orders & can be requested by Three H at quotation stage or at time of purchase order.

ORDER CHANGES AND CANCELLATIONS

Canceled orders may be subject to re-stocking fees. Re-stocking fees are a percentage net (including full amount) depending on their status in production. All Three H is product is 'made to order' and does not come from a stocking program. Product returns must be authorized by Three H prior to being sent back. A return authorization number will be issued by our warranty/claims department upon approval. All product being returned must be packaged securely in a similar manner as it was delivered. Product returned damaged will be refused.

REPLACEMENTS

Replacement components can be requested from replacements@three-h.com or by calling 1.800.767.5374 ext. 235. Please have original Three H order number available when requesting replacements parts. Any installation and labor charges related to warranty replacements must be reviewed & approved by Three H prior to being reimbursed. Three H does not reimburse for concealed freight damages or damages that occur during installation.

WARRANTY

Three H Furniture Systems offers a limited lifetime warranty on all products. For detailed information, please review our full warranty policy.

FREIGHT INFORMATION

MINIMUM FREIGHT CHARGES

Quotes exceeding \$5000 List will be subject to a 4% freight surcharge to Net pricing. Quotes under \$5000 List will have a \$175 charge applied.

ALTERNATE SHIP TO LOCATIONS

If alternate ship to locations other than dealer dock is required, additional freight charges may apply. Please contact Three H Customer Service to verify prior to submitting PO.

ADDITIONAL CHARGES

Additional shipping charges may also apply for direct to site delivery, weekend delivery, storage fees, gate services, call ahead notices, excessive unload times or other custom freight requests. Please contact customer service for any freight related questions.

DAMAGED PRODUCT

All merchandise is inspected and packed prior to shipment. It is the responsibility for the dealer to inspect packaging thoroughly upon delivery for any damages prior to accepting delivery. Obvious damages or shortages should be noted on the freight bill (bill of lading) and a claim filed immediately with Three H. Concealed damage should be reported to Three H immediately upon discovery. Any claims against Three H for apparent defects, errors or shortages must be made by the purchaser, in writing, within ten (10) working days after delivery. Failure to make a claim within ten (10) days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

EXECUTIVE COMMITMENT

Three H is committed to becoming an increasingly more sustainable company by employing policies and practices that look to protect our natural environment, support our local economy and engage with our communities. We aim to make consistent progress towards sustainability in all facets of our operations. We respect the natural, economic and human resources that help sustain our business and strive to communicate our sustainability commitments and progress to our key stakeholders.

SUSTAINABILITY POLICY

Three H understands that becoming a more sustainable company is our corporate responsibility. We will strive to operate a business that will not compromise future generations. This policy is used as a framework and guides the Three H decision making process. It is reviewed and revised regularly to ensure that it reflects our commitment to sustainability for all facets of our business operations.

Three H has identified seven (7) environmental aspects, that, along with supporting goals, are the priorities for us as a company as we strive for a sustainable future.

1. Waste Management

- Reduce the amount of waste generated by our business operations.
- Reduce the amount of waste we send to the landfill.
- Reduce the amount of waste we leave our clients and end-users in shipping our products.

2. Energy Efficiency

- Conserve energy and improve the energy efficiency of our business operations.
- Explore ways to increase the use of renewable and clean energy sources.

3. Social Responsibility

- Support the local communities in Northern Ontario by actively participating in initiatives and providing the region with local job opportunities.
- Support local suppliers and services where possible.

4. Water Efficiency

- Reduce the amount of potable water used at our facilities.

5. Our Products

- Reduce the impacts our products have on the environment in all stages of our products' life-cycle.

6. Stakeholder + Employee Engagement

- Engage our employees and other stakeholders in our sustainability goals and objectives.
- Provide our employees with a safe and healthy place to work.

7. Legal and Other Requirements

- Meet all environmental regulations applicable to our business operations.

Hook Up Perimeter Power

Hook Up power utilizes the simple plug & play capabilities provided by a Perimeter System. Our Round Power Modules include a 72"L, 3 prong power feed. All other Power Modules include a 120"L, 3 prong power feed.

The power feeds will be plugged directly into a power source (A) or into an Undersurface Mounted Power Module called Duo* (B). The Duo is connected to a 120"L infeed.

*Available as a Trio, 3 power modules can be plugged into 1 Trio.

The Duo creates the possibility of daisy-chaining power together (C) between multiple tables using Jumpers. Jumpers can be passed through modesty Grommet holes. (D)

There is one infeed for tables that are ganged together (E). Community Tables have an optional Trough (F) to feed wires through. Community Tables can use an Undersurface Mount with an infeed. 2 power modules can be plugged into 1 Duo (G).
