

Capability Statement

Core Competencies

Three H manufactures the following laminate office furniture products:

- Private Offices – mixed materials (wood, steel & aluminum)
- Open Plan Workstations
- Panel/Divider System
- Conference & Meeting Tables
- Reception
- Training Tables
- Occasional Tables
- Lockers

Rethinking Spaces With Flexibility

Three H has always put flexibility and value at the forefront of our designs. We continue to re-imagine workspaces to showcase the adaptability of our products to reflect current and future needs. In our Future of Furniture initiative we have shown how our product lines can be specified to meet the specific needs of customers.

Company History

Inspired by the North, we 'design with intent' to create an ecosystem where everything is linked to everything else. The results encourage collaboration while allowing everyone to make it their own – to find their sense of place.

Built with intention.
 Crafted for connection.
 Designed for the next wave of human work experience.

Hi, Hello, Hey.
 We're Three H.
 Build Where You Belong.
