

Think. Transform. Trailblaze.

**Behind every piece
of furniture is a story.
Hudson by Three H is
here to tell yours.**

**Where brilliant ideas meet their
architectural match.**

Our latest collection blends beauty and function with striking lines and thoughtful details that matter. Designed to be an architectural centrepiece in any environment, Hudson transforms laminate into something extraordinary, proving true innovation often lies hidden in plain sight.

Say goodbye to visual clutter and distraction. We've reimagined traditional storage with our recessed pull, offering effortless access while maintaining clean, uninterrupted surfaces that keep your space's architectural integrity.

Room to dream.

Create drama with bold architectural lines, dream big with surfaces inspired by natural landscapes, or craft collaborative spaces that bring people together. Choose from stacked, layered, organized, and everything in between. Whatever your vision, Hudson's thoughtful details like mobile pedestals and height-adjustable desks, make it possible.

Collaborate anywhere, store everywhere.
 Maximize your storage capabilities with our dual-purpose mobile pedestal that transforms into comfortable seating at a moment's notice. The upholstered seat invites on-the-fly collaborations or spontaneous meetings while concealing valuable storage space beneath its lift-up surface.

Elevate your perspective with Hudson's integrated height-adjustable desk.

Stage presence or quiet confidence? We've got range.

Hudson by Three H delivers what your office needs to uncover its true personality. With many configurations and an extensive palette of materials and finishes, Hudson helps your office speak your language.

Bring the outdoors in with our coat tree.
Crafted from high-quality wood and steel, the coat tree elevates a necessary storage element into an elegant and functional statement piece.

**Me space.
We space.
Your space.**

Your space should always have something new to reveal.

From dynamic meeting hubs that transform at a moment's notice to the focused private office of your dreams, Hudson's thoughtful functionality emerges precisely when you need it.

Your office oasis.
Our planter box, complete with a self-contained liner, brings a touch of nature into every space.

Wall space that's finally living up to its potential.

Bring vertical spaces to life with our wall boards, showcasing our new Ridgeline PET felt.

The textured felt wall creates a striking architectural presence while concealing clutter, delivering a clean, streamlined aesthetic. Practical solutions are built into the design, including wall-mounted height-adjustable desk and a cable management system hidden beneath a removable shroud base.
